Secretary's Letter

Dear Members,

Since the November show last year when I was appointed Secretary my life has turned upside down. Long gone are the days of just me and my little frenchie Doris; now she shares me with a telephone to my ear and laptop on my knee.

I really have enjoyed every moment as your Club Secretary, and have learned so much in a short space of time. I would like to thank the Kennel Club (CAT team), other Club Secretaries, our Officers and Committee Members and, of course, the members themselves for their help and support.

During the last 5 months the Committee have met three times under the Chairmanship of Mr Tim Griffiths and various sub-committees have also met to focus on special aspects.

We had one Committee member who did not stand for re-election, Dr C. Towner, and we received two resignations, Mr T. Nitsch and Mrs V. Fisher. I would like to thank them for their support and hard work. Mr G Drummond was co opted onto the Committee after the AGM; welcome Gordon. This leaves two Committee vacancies. Please could you make yourselves familiar with the new list of officers and committee which is inside the front cover.

We would like to encourage input from you, the members, and even if you feel unable to consider Committee participation it doesn't exclude you from being a valued contributor for the good of the club and our breed. We are looking for ideas and above all "a hands on approach" as the work load keeps increasing.

To enable us to meet all the KC requirements extra pairs of hands are essential to ensure our club continues to grow and flourish, not just at shows, but with any future events we may hold. If you can spare a few hours, please let me know and it would be very much appreciated. It is quite therapeutic to be giving something back to this lovely breed that asks for nothing more in return than to be loved.

Our breed is reaching phenomenal proportions with high numbers of imports and many varied and undesirable colours (4,648 registrations last year). That is approximately 68% up on 2011. We are now 12th in the top twenty breeds. 29 export pedigrees were issued in 2012.

Voting for the judges for the club shows continues to prove popular with members and voting papers for 2015 Championship Show judges are included. Don't forget to vote.

The judges list is now updated and will soon be on line. A Judges Seminar is taking place on Sunday 3rd November 2013, at The Peace Memorial Hall, Penkridge, Staffordshire, ST19 5AP. Please contact Karen Waltham for more details (01482 807712)

Our new Trophy Steward, Mrs Tina Fraser has started the listing, photographing, and cleaning the trophies. Cups have been selected to be given at our three shows for B.O.B, Best Puppy, Best Veteran and Best Opposite Sex.

Tina Jopling is back as Health Co-ordinator for MNCFBC. The success of Heart Testing at our November show encourages us to continue with this work. Look out for BVA/KC Eye Testing and Heart Testing at our shows.

Our AGM on the 17th February was a successful day. Guest speakers Bill Lambert and Charlotte McNamara from the Kennel Club had a great response from members. Bill and Charlotte's presentations on the subjects of the Assured Breeder Scheme and High Profile Breeds led to a lot of discussion and questions. The AGM buffet had good feedback (pardon the pun!) and everyone seemed to enjoy the day.

A big thank you to the members of all three clubs who supported Discover Dogs this year. If you are interested in supporting or taking part next year please could you contact a Committee member. The ringside Breed Stand was very busy and extremely popular.

With the show season getting underway and the promise of warmer weather I would like to wish you all success in whatever you do with your Frenchies. I hope to see you at the club shows and events in 2013.

Amanda-Jayne Pike
Honorary Secretary

NOTICE BOARD

Our thanks to all our advertisers, and contributors. We greatly appreciate your support. Thank you again to those who send donations to Bat Ears, it helps to keep us going!

Our thanks also to all the talented photographers for allowing us to use your pictures. The Club members, Mick Conway, Neil Birks and Bitten Olderoide, and to Canine Antiques Author and Authority Nick Waters.

Don't miss the May issue of Dogs Monthly. – our breed is featured, with input from the M&NCFBC and FBCE

Another publication on our breed, The World of Frenchies 2011 – 2012 is being prepared by BB Press. The UK representative for adverts or your champion details is Tina Jopling. Phone her on 01953 861209.

!!! THREE PAGE ONE GIRLS !!!

The Editors would like to make it clear that we will not, as a general rule, have named Frenchies on Bat Ears front cover. This time it is by way of an apology. Firstly, Angel – this photo was twice lost in the post, and we had to use a hastily sent emailed one instead; secondly Allovapuzzal's photograph was omitted from the new champions page – see this issue. Finally – no-one reported our deliberate mistake! The November Open show photograph named Birique Xceptional as BOB under a photograph of her uncle, Birique Prinzregent (he was Best Veteran).

Left to Right: Best Dog & Best In Show Morvern Frank Avec Labanjo with his owner Mrs Carole Burton, Res Best Dog Mrs Toes with her Alsuma Pale Rider With Zeppelin and Mrs Cassidy with Best Puppy Dog & Best Puppy In Show Frustyle Trend In Style

I would like to thank the committee and members for the honour of inviting me to Judge, and also the exhibitors for a lovely entry, I really enjoyed my day with you all.. **MPD 8(4) 1 & BPIS. Cassidy's Frustyle Trend in Style**, 8 mth Pied, good overall balanced dog, strong typical masculine head with broad, deep, well padded muzzle and broad lower jaw, good dentition, plenty of fill under dark expressive eyes with correct surrounding pigmentation, good ear size and shape although a little lazy in use. Well muscled thick neck, correct shoulder placement, straight front with excellent bone, sound pasterns, tight feet. Deep chest, well sprung ribs, short compact well muscled loin, well rounded rear quarters with adequate angulation. Moved well when settled and should improve with age and training. **2 Smith's Yakee On the Wild Side at Bouffon**, 7 mth Pied, Larger though compact male with typical masculine head, broad square deep muzzle and lower jaw, would like a little more fill under his dark eyes, good rise of skull to upright ear carriage of good size and shape, Thick neck to well set shoulders, correct front assembly sound pasterns, neat feet, well sprung ribs to short loin, top line okay. Muscled rear quarters, would like a little more angulation. Presented in good condition and nicely handled. **3 Mabey's Rowendale Marc Jacobs Oakprides**, 7 mth Fawn of good size with plenty of substance, strong masculine head, good fill under nice dark eyes, well placed ears carried upright. Short neck, straight front, sound pasterns, neat feet. Well sprung ribs, short loin, with gentle roach over muscular rear quarters, and correct rear angulation. Swateridge's Garbo Du Domaine Des Molosses Avec Xentique, feminine Brindle of good size, not quite the balanced outline of 1st dark well shaped eyes gave a soft expression, defined lower jaw, well padded muzzle, thick neck, straight front, upright pasterns, tight feet. Body a little longer than 1st, rear longer body style. 3 **Brown's Eastonite it's All About Mimi at Kuredeux** quarters well rounded and good angulation movement is a little looser in keeping with, Fawn a little larger and longer in body than 1st & 2nd. Larger Feminine head with dark expressive eyes, rim and nose pigmentation correct. Ear carriage upright and of good size and shape, thick neck, front assembly correct, sound pasterns and deep chest, topline with gentle roach, well rounded rear quarters. Movement could be a little tighter in front. **MLB (2) 1 Tilley's Mossport Margarita**, Larger double hooded Pied, lovely clean feminine head with soft expressive dark eyes, broad, deep, well padded muzzle with deep square visible lower jaw. Well placed ears of good shape and size used to give alert response, strong thick neck, well set shoulders straight sound front with good bone, upright pasterns and neat feet, deep chest well rounded ribs to muscled loin, gentle roach and good tailset over rounded and developed rear quarters with correct angulation moved freely around the ring. 2 **E it's All About Mimi at K.** LB 4(1) 1 **BB & RBIS Howarth's Gizyo Gizys Angel**, Fawn, nicely balanced and square in outline, with a lovely feminine head of good proportions with broad square, well padded muzzle and good lip placement, deep stop & good rise of clean skull with soft dark expressive eyes, spot on ear carriage which she used very well to give alert expression, Strong thick neck, correct shoulder placement, straight front assembly, excellent bone, sound pasterns, tight feet. Compact body with short loin and good tuck-up, nice gentle roach, well rounded muscular rear quarters. Quickly dropped into her stride, with free flowing movement around the ring. Well handled. 2 **Conway's Anashell Bombproof**, Brindle, this is another nicely balanced bitch, slightly different in type to 1st, larger typical head with a soft feminine expression, would like the eyes a little darker, the muzzle is well padded broad and deep, broad nostrils, good stop and rise of clean broad skull, ear placement is upright and of good size and shape. Arched strong neck to compact body, straight front, sound pasterns and neat feet, deep chest good tuck up and well rounded rear quarters with second thigh defined. Moved well around the ring. 3 **Keates' Nokomis Prairie Flower**, Brindle, not quite the balance of 1st & 2nd, typical feminine head, broad and deep well padded muzzle with broad lower jaw. Deep stop, well shaped dark eyes giving soft expression, clean rise of skull, well placed ears carried upright and used well. Strong elegant neck, sound bone and pasterns. Deep chest and good tuck up well rounded rear quarters and good angulation, moved smartly around the ring. **OB 3(1) 1 Birks' Birique Xcepshional**, Compact Fawn, balanced feminine head, broad, deep, well padded muzzle, deep stop and good rise of skull, dark expressive eyes with very good rim pigmentation, ears carried upright and used well, strong thick neck to well set shoulders and correct front assembly, broad deep chest well sprung ribs, correct topline, short loin, muscled, rounded rear quarters, evident second thigh. Moved okay 2 **Bootle & Harrison's Too Too Much at Foleyfarm JW**. Brindle, typical broad deep blocky head with larger dark eyes giving a soft feminine expression, thick neck, well set shoulders, sound straight front, neat feet. Deep chest, compact body, nice gentle roach over well rounded rear quarters and high tailset gave her a nice balanced outline. Unfortunately on the day her ear carriage showed a lack of interest in the proceedings and remained unexcited throughout her time in the ring so the overall expression and impression was spoiled. **VB 5(2) 1 & BVIS Harrison's Tommyville Thora Thorndyke**, 11.3/4 yrs old, fawn, still looking and moving well, medium sized with very good overall balance, clean feminine head still showing good pigmentation, square deep padded muzzle and lower jaw, soft dark expressive eyes with good under fill and deep stop, skull rising to well placed ears carried upright, clean front assembly straight and well muscled with sound pasterns and tight feet, her compact body and rounded rear quarters still helping her to move well around the ring. 2 **Russell's Acirema Love in A Mist**, 12.1/2yrs old Brindle, feminine head with dark and soft expressive eyes, facial pigmentation is still good, holding back the grey, ears remain upright and carried well, strong neck, clean straight front and neat feet, with deep chest and compact body, rear movement not that of 1st. 3 **North & Holland's Tommyville Tidgy Pud**, 10 yr old larger Brindle, not quite the compact outline of 1st & 2nd larger balanced feminine head with broad muzzle and lower jaw, eyes dark with good fill underneath, skull clean, deep stop, medium sized ears carried upright and gave occasional alert expressive response. Thick neck, okay shoulder placement and straight clean front. A little long in body, rear movement let her down. **Sp.O Pied B 3(1), 1 Swateridge's Skybull Marie Antoinette**, larger bitch with good overall balance and outline, feminine head with broad deep muzzle and square lower jaw, very good facial pigmentation softening the look, large dark expressive eyes, ear carriage was a little lazy today, strong muscular neck, well set shoulders, straight sound front with good bone, well sprung ribs to compact body and gentle rise over the loin to well rounded rear quarters and high tail set. Movement okay. 2nd **Gill's D Jessica's Daisy at C Sp.O Br.B 2(1) 1 Wood's Stanley Girl Mega at Delightbull**, Smaller brindle, typical feminine head still a little immature and lacks some balance, large dark eyes with soft expression deep stop, ear carriage upright and used well when alert. Shoulder placement okay, straight front with sound pasterns, compact body with correct topline and gentle roach over well rounded rear quarters, movement okay. **Sp.O Fawn B 3(1) 1 & BPB, S Let It Be.2 Chambers' Glenlee Indian Spirit at Luvum**, Smaller bitch, looks balanced in outline, typical feminine head with well padded muzzle, deep stop and good rise of skull, dark expressive eyes, eye rims and nose with deep pigmentation. Well placed ears of good size and shape carried erect, thick neck, compact body, correct topline with gentle rise of the short muscled loin and well rounded rear quarters, would prefer a little more rear angulation, moved okay and was well handled.

The A.G.M. February 17th 2012

The Club's Annual General Meeting was a well attended, very pleasant social occasion. We opened at 10.30 for coffee, and then listened to two interesting guest speakers from the Kennel Club.

The first was Charlotte McNamara who breeds and shows Pekingese and gives CCs in that breed. She also owns a Frenchie and loves our breed. She spoke about her work at the Kennel Club as the High Profile Breeds Co-ordinator, and her talk was followed by a question and answer session.

Bill Lambert then took over. He has owned Bull Terriers all his life, has bred eight litters, has bred eight champions and been BOB at Crufts on three occasions. A remarkable achievement! He is the Kennel Club advisor for the Accredited Breeder Scheme. His talk was so very interesting and sparked off another lively question and answer session.

After this the annual awards and trophies were presented, and we then settled down to a splendid buffet lunch, produced by the committee.

The main business of the day, the AGM followed, with lively debate and lengthy discussions about the amendment to the Code of Ethics and possible colour changes to the colour clause in the K.C. breed standard.

The committee thanks the members for their support and hope that even more of you will attend the next AGM, and enjoy another interesting, social occasion.

DISCOVER DOGS – CRUFTS 2013

For the members who do not get to Crufts each year and may not be aware, Discover Dogs is a section of the show where dogs of every breed are in attendance every day. Thus the public may see breeds not being shown on the day they attend. As you can imagine, with French Bulldogs now being number 12

on the most popular breed list, our stand was crowded with visitors almost all day and everyday. Stands are organised by the various breed clubs – this involves decorating the stand and it with dogs and owners on each day of four days! (Half a day each is enough for the dogs, and often more than enough for the owners!) The General Public can be very demanding!

The French Bulldog stand on set up day.

The Club organisers (Carol and Amanda) would like to thank the volunteers, Annie Jenkins, Tess and Mike Smith, Jackie Mavro-Michaelis, Tim Griffiths, Irene Stansfield, Jon and Pauline Kennedy, Carole Ash, Kerry Smith, Sylvia Piper, Liz Brown, Jean Al-Azzawe and, most of all, their affectionate, patient, co-operative and sometimes long-suffering Frenchies for their help.

OUR CLUB'S BREED STAND AT CRUFTS

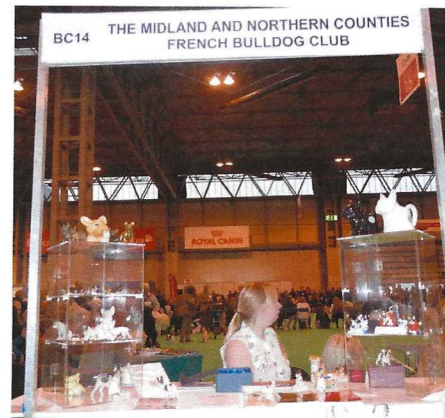

WE WON !!!

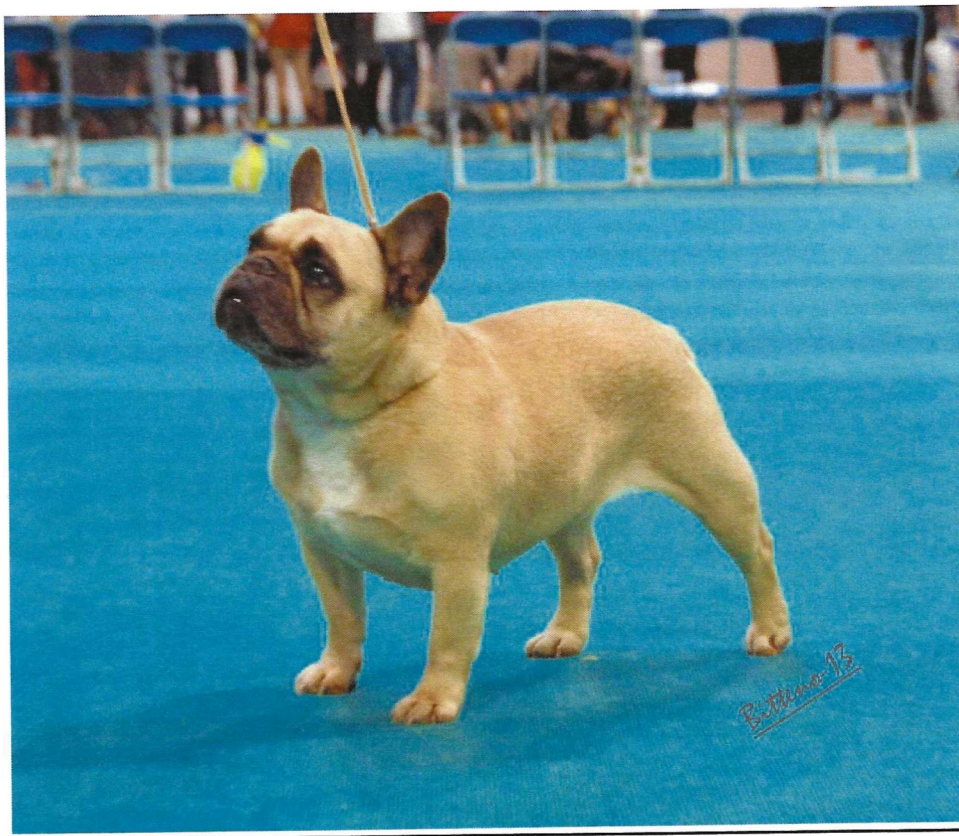

The Kennel Club award for the Best Breed Club Stand in the Utility Group.

The award is presented to the stand, which in the opinion of the judges, gives the best service.
It is not judged simply on the appearance of the stand, or the goods on offer, but the information available to help to promote the breed and its welfare.

Thanks to the lady members who arrived at NEC at 6.15am, set up the stand, and manned it all day – Mrs Vicki Fisher and Mrs Jean Al-Azzawe.

TOMMYVILLE THORA THORNDYKE

Veteran Bitch 1st "Bootle & Harrison's Tommyville Thora Thorndyke. 12 years young with the muscle development not seen on most of the male entry and, as a result, she moved so true coming and going. Yes, she is showing her age in head, to be expected, but she still has the essentials of the desired square head, overall body balance, length of neck, correct front, correct top line, excellent tight feet, altogether an excellent example of the breed. A shame that Crufts does not have Best Veteran declared for each breed, because she would have my vote"

Miss Mary Deats, Judge: Crufts March 2013.

Repeating her success at Crufts 2012, when she was a mere 11 years old!

BAGS OF FRENCH BULLDOGS

Fans of the breed are doubtless aware of the multitude of bags (and other accessories) available to Frenchie lovers today. Ben de Lisi, Ted Baker, Kenneth Cole, Thomas Sabo and others keep us well supplied with tempting goodies. Well, 'twas ever thus! We hope you enjoy looking at some of the bags enjoyed by Frenchie ladies.

Photo: Nick Waters

On the right is a leather bag, of high quality from the 1920s. The clasp is a beautifully carved wooden Frenchie head, with fine glass eyes and the plaited leather collar dropping down to a ring, probably for holding gloves. There are two inside pockets; one a purse fitted with a clasp, the other an elasticated top pouch. There is a leather strap along the back of the bag so that it can be worn, as was fashionable at one time, on the sleeve. It measures 8.5" x 6"

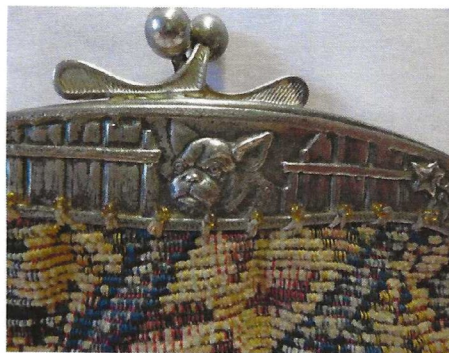

The bag alongside it is a child's purse bag, measuring 9" x 6", from the 40s. Made in soft leather with padded suede lining one wonders how it has survived so long! As with the two other children's items which follow, they must have been loved and played with by children and survived the parents' urge to dispose of them when outgrown!

The pictures above shows another superb quality ladies clutch bag, this one in finely hand tooled leather and measuring 12.5" x 6.5". In fine condition, it is, under the closure flap, finely engraved with the name 'Mary'. This is another example from the 1920s – how lucky were the Frenchie loving ladies of that period!

The pictures above show two children's muffs, dating from the early 1900s (1910 approx.) and both incorporating a zip purse. These were made in USA and have great personality and detail. I am sure they were – and are – much loved.

This picture shows another 'oldie' – this exquisite needlepoint evening bag is most likely pre 1920. Measuring 6" x 7.5" it has a delightful Frenchie head embossed at the top of the metal frame just under the clasp.

Photo: Nick Waters

More recently, it was essential for Frenchie lovers to visit the trade stand of Wallace Leather at Crufts. From the late 70s to 2009 this small stand had wonderful examples of hand made leather bags painted of every breed of dog and cat. The late Alan Wallace made the bags, all sizes from purses to large travel bags, and his wife, Josephine, did the paintings. She usually painted from a photograph of the clients own dog and one had to wait a few months for the bag to arrive– but they were always well worth the wait! The handbag / shoulder bag illustrated is 11.5" x 14.5" a 5.5".

Photo: Nick Waters

Available at present, with the many other designer bags, are those from Fuzzy Nation. Looking like a cuddly toy they have leather shoulder straps and a zip to the top. In various sizes – the box which contains the one shown measures 13" x 10" x 4.5" – and various styles, they are all rather glamorous. There is a small, 6" long fine satin-brocade evening purse, which also sports a zip top and tiny leather strap, which can undo to become a leash! Sadly this little model has a small Pug-like tail, but innovative Frenchie ladies have docked the tail, sewn up the seam – and lo! a show quality Frenchie!

Welfare Annual report 2012

Once again throughout 2012 we have seen further dramatic increases in the numbers of Frenchie puppies being registered with the kennel club. The total for the year being over 4648, a rise of 68% over 2011 the like of which has never even been seen in other numerically larger breeds than ours. Also the increase in the importation of Frenchies mainly from eastern European countries has gained more momentum this year. The effect of this increase has been seen in the mass increase in puppy sales on Internet sites from puppy farmers and unscrupulous breeders. The newest, most worrying trend however is the breeding of 'Blue Frenchies' in the UK. This is increasing, The kennel club whilst registering these Blues as 'Colour not recognised by the KC' is still falling a long way short of what is needed. We must try to keep the pressure on them to get their act together and think of the dogs and not their cash surplus.

Most importantly in all of this, from the Trust point of view, is yet again an increase in Frenchies coming into the Welfare. In 2012 we were involved with the re-homing of 45 + dogs and 10+ dogs needing other forms of help. Once again the problems we have encountered among the re-homed dogs this year have seen a marked increase in temperament problems. One dog was put to sleep after an unprovoked attack on a young girl, and, at least two others euthanised after unprovoked attacks on people. This is not normal Frenchie temperament. Most problems are still being created through the ignorance of original owners regarding socialisation etc. Some are now possibly going back to poor or suspect breeding practices etc. We have also seen a marked increase in medical problems, allergy/food intolerance problems. Other problems have come from lack of basic care (cleaning ears etc.) thankfully a little patience; TLC and knowledgeable Trust Vets have put some of these things right. The dogs this year have aged from 8 months old to a pair of 7yr olds, again most dogs being around the 14 months -3 year old mark. I see this trend continuing in 2013.

Again we have had a larger influx of dogs around November to January. This year for example we had 7 dogs in one week. The breed's popularity with celebrities continues and is not helping the problem of 'flavour of the month' owners etc. especially when celebrities parade their Frenchie on TV programs. We need to look at ways to try to educate the public about the benefits and problems arising from ownership of our breed. Later in the year we are hoping to hold a symposium on how we can do this, hoping to bring together interested and influential parties.

Finally, I would like to thank those who have helped the Trust over the last year with the business side, and the sterling work of those who raise funds for the Trust. We hope others will join us in trying to place dogs in need in touch with those who can give them the safe, healthy, loving environment they all deserve.
